

Procedures for Breaches of Discipline relating to School-based Assessment

(Includes Plagiarism)

Students are expected to approach all school based assessments in good faith. That is students are expected to make a reasonable attempt to complete assessment tasks to the best of their ability.

Students are expected also to submit work which is their own and not the work of others. The college and the BSSS take the matter of plagiarism seriously.

A guide to avoiding plagiarism is available from the BSSS website at:

More details are contained in the Policy & Procedures Manual published online by the BSSS.

The following pages are an extract from the Manual published January 2013.

The college will follow the procedures outlined in the BSSS Policy & Procedures Manual in considering any breaches of discipline in regard to school – based assessment.
