

GiSTEMM

Empowering young women in STEM and other areas to **explore their potential** without fear or favour, to enable them to make good decisions for themselves and the communities in which they live.

What can you do if you participate in **GiSTEMM**

- Support Girls in STEM
- Mitigating Unconscious Bias
- Principles of Gender Inclusive Learning Environments
- Careers Education in STEM
- Engage Community
- Engage Families.
- Run Primary School Workshops in STEM
- Attend Mentoring Sessions with STEM Women
- Work experience in STEM
- Attend STEM Conferences
- Enter Female Teams in STEM Competitions
