

AIR FORCE FLIGHT SIMULATOR

Representatives of the AirForce will be visiting the college on Monday November 13. They will bring their flight simulator with them.

Students will be given the opportunity to 'fly' an F/A-18F Super Hornet simulator, followed by the chance to act as a Super Hornet Air Combat Officer and Joint Battlefield Airspace Controller.

The Air Force Simulator Experience is about as close to flying as a person can get without actually leaving the ground, and provides a hands-on insight into the operation of Australia's front-line strike fighter.

The plan is as follows:

Program 1: Simulator Program (36 students)

We will be looking for 3 x Groups of 12 students as follows:

0845 - 1030: Group of 12

1045 – 1230: Group of 12

1315 – 1500: Group of 12

Please ask interested students (male, female year 11, year 12) to write their names on this sheet near the session that would suit. Return the sheet to student services.

* An additional classroom program will also run for students who do not get selected for the 36 positions. Details will be emailed to class teachers.

Year 11 helpers 2018 Jan 31/Feb 1- Please see Buddy if you are interested in helping at UC on teacher orientation day (financial incentive provided)

The Café will be open on Wednesday at lunch time

Assorted appetizers (sausage rolls, Nutella scrolls, mini open sandwiches) only \$1.00 each
Fruit punch, oreo milkshake or coffee \$2.00 or \$3.00

UNIT surveys

Unit surveys are open for semester 2.

Please complete one survey for each of your classes.

Password is **2spot**

The survey will be available through the webpage via the Our School/Current students tabs and on the college App.

Also available on your google classroom page.
