UPDATES FOR INTERSTATE TRAVELLERS

School student travel information for parents and students

School Travel Passes

Students who require a School Opal card or travel pass but have not yet applied need to [apply](#) or [update](#) their details as soon as possible.

In the Opal network, students should travel with a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

New Student Opal cards (including new Term Bus Passes) will be sent to the student's nominated postal address within two weeks of their application being approved.

Students living in rural and regional areas will receive their travel pass from their nominated transport operator. It may be issued via their school or be sent directly to them at home. **Note:** some rural and regional operators do not issue travel passes. Students/parents should confirm with their nominated operator if they do not receive a pass.

Terms of Use

Students using Opal cards must tap on and tap off in line with the [Opal terms of use](#).

All students are required to comply with the [Student code of conduct](#). The code of conduct aims to ensure the safety and well-being of school children and other passengers. It is important that parents ensure their child is aware of this, as failure to comply with the code of conduct can result in a suspension from travel.
